PROVINCIAL TABLE I

AREA AND POPULATION OF TALUKAS

1 The figures of 1891 for the city by ward divided by Taluk are
not available

2 Owing to the general readjustment of districts between 1901 and 1911 the Talukas have
undergone changes to such an extent that the figures for 1901 are not comparable.
The process of adjustment applied to the figures of the Talukas was well
illustrated by the figures of the district of Hyderabad in 1901.

3 The population of the province was incorrectly calculated that of Chhatrapur instead
of that of the city was done in the last census.
